H₂O HOME TO OVERSEAS CONFERENCE & EXHIBITION

JUNE 6-7, 2019 | HALIFAX | NOVA SCOTIA | CANADA

Atlantic Canada and Nova Scotia, in particular, is home to a strong cluster of ocean industries and to groundbreaking ocean research. This region is quickly becoming a globally recognised hub of oceans expertise with the potential to be a significant contributor to a number of Global Value Chains associated with the oceans sector, including, but not limited to, Marine Defence, Marine Energy, Marine Observation, Fisheries and Aquaculture Technology, Marine Tourism and Marine Transportation. Halifax hosts the Centre for Ocean Ventures & Entrepreneurship (COVE), the globally acclaimed Bedford Institute of Oceanography (BIO) and a short drive away on the Bay of Fundy the Fundy Ocean Research for Energy (FORCE) is located. The **H2O Home to Overseas Conference** is an ideal event to engage with local ocean technology industry. The Conference will include: ocean industry showcase, international delegates, research and development, commercialisation, industry and workplace development presentations and the oceans gala dinner.
